ENJOY 4 SEASONS

Myths dispelled about Buffalo weather.

Buffalo was actually the 7th snowiest city in the country during the 2016-17 season behind Syracuse, NY, Rochester, NY, Anchorage, AL, Erie, PA, Worcester, MA & Manchester, MA.

Buffalo gets, on average, 157 days of sunshine per year! That is almost half the year spent enjoying sunny days.

Buffalo enjoys the sunniest and the driest summers of any major city in the Northeast.

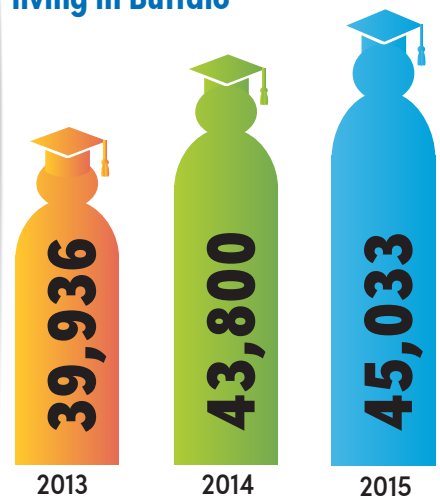

Western New York is known for its fall foliage and temperatures averaging 65-75 degrees. It's easy to get out and enjoy what Buffalo has to offer.
