PROFESSIONAL SUMMARY

Enthusiastic, proficient, and visionary professional with extensive expertise in language education, multilingualism, and second language acquisition research. A researcher with a solid background in innovative educational practices and advanced teaching techniques. Keen on utilizing cutting-edge ideas and tools to craft equitable solutions for complex educational challenges, with an emphasis on enhancing language instruction and literacy growth for diverse learners and communities.

EDUCATION

University at Buffalo, New York.

August 2024-Till Date

Department of Learning and Instruction (Ph.D.)

Research focus: Language Education and Multilingualism, Second Language Acquisition, Multilingualism and Dyslexia

University of Ibadan, Oyo State, Nigeria.

2021

Master of Education in English

Thesis: Assessment of Teaching Methods of Contemporary English Teachers of Junior Secondary Schools in Ibadan North Local Government.

University of Ilorin, Nigeria.

2017

Bachelor of Arts in Education

Thesis: Factors Associated with Mass Failure of Learners in English Language in Secondary Schools in Ilorin South Local Government, Kwara State.

RESEARCH EXPERIENCE

University at Buffalo, New York.

2024-Till Date

Role: Graduate Researcher

- Analyzed quantitative data to identify correlations between vocabulary instruction strategies and reading fluency
- Coded qualitative interview data from 25 preservice teachers on teaching Difficult Histories, collapsing 100+ responses into 10 thematic codes using iterative thematic analysis.
- Utilized linguistic corpora and CLAN software to analyze child language data, transcribing and coding utterances for vocabulary usage in multilingual contexts, contributing to insights on effective instruction strategies.
- Conducted a systematic literature review of observational studies on vocabulary instruction, sourcing references via WorldCat using backward referencing, and synthesizing findings into an Excel sheet for thematic coding.

University of Ibadan, Nigeria.

2019-2021

Graduate Researcher

- Reviewed literature on contemporary as well as traditional methods of teaching English language
- Developed research instruments in groups to identify various methods adopted in the classroom as well as the reasons for different methods
- Identified the impacts of these methods on individual learners in the classroom
- Attended departmental seminars and research presentations on educational development
- Drafted research instruments for data collection
- Assisted in data collection on secondary school English language teachers' attitude to teaching during the COVID-19 era.

Adekunle Ajasin University, Akungba Akoko.

2016

Undergraduate Research Assistant

- Reviewed online articles on housing planning and sustainable development
- Assisted in data collection using observation, interviews and questionnaires

PUBLICATION

Alao, O. (2025). Assessment of teaching methods of contemporary English teachers of upper basic classes in Ibadan North Local Government, Oyo State Nigeria. *Corona Journal of Emergent Research in Education*, 2(1), 23–33. ISSN: 2955-0319. (Print-only publication)
