PROFESSIONAL EXPERIENCE

RESEARCH

Interests: Intergroup/interracial relations. The role of social cognitive processes related to prejudice, stereotyping, and discrimination and connection to traumatic stress symptoms and

impact on health-related disparities for people of color. How individuals internalize social constructions such as race and conceptualize sense of self, self-identity, mental well-being, and health outcomes.

Community Wise Optimization Study

2016

Project Coordinator

NIH funded clinical trial. The study engaged in intervention science, and Multistage Optimization Strategy using a factorial design. Grounded in community based participatory research (CBPR), Community Wise, a multilevel, 15-week behavioral health intervention was developed and pilot-tested to reduce substance use frequency, HIV/HCV risk behaviors, and reoffending by increasing critical consciousness in the community.

African-American Brain Health Initiative

03/2015 - 08/2016

Graduate Research Assistant - Center for Molecular and Behavioral Neuroscience

Outreached, recruited and tested study participants of the Pathways to Healthy Aging in African Americans pilot research study. Used various neuropsychological tests, pen to paper tasks, physical assessment measures, as well as computer tasks to screen various participants.

Newark Community Collaborative Board

09/2015 - Present

Board Member

Build community capacity by empowering individuals with histories of HIV/HCV, substance use disorders, and incarceration to advocate for their health and for equity. Community engagement, participation, and through research—all backed by critical thinking.

Newark Community Collaborative Board

MSW Graduate Research Assistantship

09/2013 - 09/2015

Experience in conducting community based participatory research and behavioral intervention evaluation/development. Developed an understanding of Critical Consciousness Theory and its translation into Social Work research and practice.

PRACTICE (CLINICAL, COMMUNITY & TRAININGS)

Interests: Trauma, race-based trauma, stress-coping, substance use, racial/ethnic identity, selfconcept, self-esteem, mental health, health outcomes, health disparities

Princeton University

05/2021 – 05/2025

Emma Bloomberg Center for Access and Opportunity

Assistant Director for Student Support and Assistance

Offer comprehensive support to Princeton students, focusing on first-generation, lower-income, and underrepresented students. Provide guidance in co-curricular areas, executive functioning, life skill development, wellness coaching and strategies, and facilitate connections with vital

resources, both within and outside the University, to enhance their overall well-being and success.

Princeton Professional Workshops

Facilitate various workshops pertaining to Trauma, Crisis, Wellness, and Mental Health related topics for the Freshman Scholars Institute, Scholars Institute Fellow Program, Princeton Undergraduate Preparatory Program, and the Aspiring Scholars and Professionals Program.

Inner light Counseling and Holistic Center

2016 - 2018

Mental Health Clinician

Performed psychosocial, self-injury, and suicide risk assessments for current clients. Developed and administered therapeutic treatment and interventions addressing mental and emotional health concerns using various clinical techniques.

Clarity Treatment Center

2018 - 2019

Primary Counselor

Provided co-occurring therapeutic services that created a deeper sense of self-reflection to address substance use and mental health disorders to a diverse client base of adolescents and adults. Facilitated group therapy targeting women's health, psychological stressors, trauma, parenting, and relationships. Conducted bio psychological assessments and evaluations to determine appropriate level of care.

Ujima Healing Project

04/2021 - Present

Therapist for Credible Messengers and Violence Interrupters

Conduct biopsychosocial assessments and provide psychotherapy services to credible messengers and violence interrupters, facilitate circle practice, and provide group clinical facilitation for mindfulness and trauma.

SAGE Holistic Consulting, LLC.

Present

Provide individual psychotherapy to emerging adult and adult populations. Integrate trauma-informed, person-centered, psychodynamic, and holistic approaches to serve individuals experiencing mood, stress, anxiety, identity development, relational, and trauma-related concerns.

Diversity, Equity, Inclusion, and Belonging Consulting

BURNS BROTHERS
