

A. PERSONAL DETAILS

Name	Mercy Wamunyima Monde
Date of First Appointment	4 th August 2017
Current Rank	Librarian II
H-Index	4
Nationality	Zambian
Age	46
Gender	Female
Date of Birth	22 nd February, 1977
Marital Status	Married
Religion	Christian
Contact Address	P.O Box 33279, Lusaka.
Cell	+260 977932178/+260 964628236
Email	mercy.wamunyima@unza.zm

PROFILE

Mercy Wamunyima Monde is a self-motivated person with a Master of Library and Information Science (University of Zambia), Bachelor of Arts Degree with Library and Information Studies (University of Zambia) and Certificate in Nursing from Lewanika school of Nursing, Mongu, Zambia, I have fifteen years of working experience in nursing practice as well as over 6 years' experience as a Librarian in a Medical Library. Currently Head of department at The University of Zambia Medical Library, President of the Association for Health Information and Libraries in Africa (AHILA), 2021 Cunningham International fellowship award winner and Bibliometric and Research Impact Summer School 2023 scholarship award winner. Additionally, I have good knowledge of Microsoft applications such as word, excel, PowerPoint and strong Internet skills.

PERSONAL ATTRIBUTES

My personal attributes include but not limited to strong analytical skills, self-motivation, adaptable, hardworking, professional, organized, good time manager, good interpersonal and communication skills, good report writing skills, ability to work with minimum supervision and under pressure. I also have a lot of interest in Library and Information Science work particularly Medical/Health Science Librarianship. Also have interest in nursing, Evidence Based Health, Systematic reviews, consumer health information provision, knowledge brokering in health and health literacy.

B. EDUCATION- ACADEMIC/PROFESSIONAL QUALIFICATIONS

- 2017 Master of Library and Information Science- University of Zambia-Lusaka
- 2013 Bachelor of Arts Degree in Library and Information Science (Merit)
- 1999 Certificate in Nursing - Lewanika School of Nursing – Mongu
- 1995 General Certificate of Education 'O' Level (ECZ) - Senanga Secondary School

C. RELEVANT WORK EXPERIENCE

February 2020 to date - Acting Head- University of Zambia Medical Library (Librarian II)

- Responsible for the overall management, supervision at the Medical Library ensuring that all plans and procedures are implemented and that all work processes run smoothly.
- Coordination and training information literacy for Ridgeway Campus Schools

- Collaborate with lecturers in research/Systematic reviews
- Assisting Lecturers and students with eLearning (Moodle)
- University of Zambia UpToDate Champion
- Promote the Use of Evidence Based Medicine among students, lecturers, health professionals
- Reasearch4Life user group member

2017 to 2020 Librarian III – University of Zambia Medical Library

- Administration Management and Supervision of staff and students
- Train and assist library users in the use of electronic and print research tools
- Providing instruction in information literacy to students and staff.
- Develop teaching and training materials for information literacy programs.
- Teaching Information Literacy
- Research
- Metadata Editor in the Zambia Africa Digital Health Library project implemented at the University of Zambia Medical Library.

2014 to 2017 -Non Resident Staff Development Fellow

As a non-resident SDF I was involved in training and facilitation activities on research projects.

July 2001 to July 2017 - Ambulance Services, Railway Health Centre, Ministry of Health, Lusaka Zambia

Duties: Emergency Care, Epidemic Preparedness, Counseling and Nursing duties.

D. CONTRIBUTION TO TEACHING

2024 School of nursing sciences Post graduates training in literature review and citation, Moodle for post graduates, reference management tool installation and use, systematic reviews

2024 School of Health Sciences Post graduate seminar (Training in literature review and citation, Moodle for post graduates, reference management tool installation and use)

2024 Gynecology and Obstetrics Meds Training in literature review and citation, reference management tool installation, Information searching and use, UptoDate clinical decision tool navigation.

2024 training on use of reference management tools in research, information searching for School of Public Health

2023 Co. taught and examined over 100 first year **DME 1115** students

2022 Facilitated training at the School of Health Sciences during **Health Sciences Postgraduate Seminar on 25th and 26th July 2022** and lecturers in, systematic reviews, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources

2022 Facilitated training at the School of Public health during **Public Health Postgraduate Seminar on 6th and 7th April 2022** in systematic reviews, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources

2022 Facilitated training at the School of Nursing Sciences during **Postgraduate Nursing Seminar on 26th to 29th September, 2022** in, systematic reviews, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources

2022 Fundamentals of Nursing (NRS 2110), School of Nursing, teaching a module on Students Support and Counselling and Guidance (study skills, writing skills, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources).

2022 Offered instruction to Library and Information Studies (**LIS 303**) students on attachment during library practicum

2022 Second year **Biomedical Students**, teaching on referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources).

2022 Co. taught and examined over 750 first year **DME 1115** students

2021 Offer instruction to Library and Information Studies (**LIS 303**) students on attachment during library practicum

2021 Co. taught and examined over 750 first year **DME 1115** students

2021 Fundamentals of Nursing (NRS 2110), School of Nursing, teaching a module on Students Support and Counselling and Guidance (study skills, writing skills, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources).

2021 successfully facilitated an application for the Better Evidence for Training program which led to the Award of **free 5-year institutional subscriptions to UpToDate for medical student**, residents, and clinical faculty at the University of Zambia. UpToDate is an extremely useful electronic Evidence based clinical decision support resource trusted by clinicians worldwide to make the right decision at the point of care, and helps medical students, residents and clinicians answer their clinical questions quickly and easily by providing most recent evidence when treating patients resulting in improved patient care.

2020 I have been part of the library team, led by the Deputy University Librarian, Mrs. Francina Makondo in teaching University of Zambia Lecturers on how to use Moodle. Moodle Registration, overview of the platform, setting up course, adding a resource or activities (a file, a folder, a page, a book, video, a URL, a forum, a quiz, a lesson, an assignment), how to import a quiz from word to Moodle, setting up a grade book and grading from the School of Medicine, Nursing Sciences, Health Sciences, Natural Sciences, Humanities and Social Sciences and Veterinary Medicine

2020 Fundamentals of Nursing (NRS 2110), School of Nursing, teaching a module on Students Support and Counselling and Guidance (study skills, writing skills, referencing and citation, literature review, use of ICT and Moodle and use of Library resources/information resources- CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources).

2019 School of Medicine, Dept. of Obstetrics and Gynecology. (OBG 8010, Mmeds) Teaching a Module on Students Support and Counselling and Guidance (referencing and citation, literature review, use of ICT and Moodle and use of Library resources (CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources.

2019 School of Medicine, Dept. of Obstetrics and Gynaecology. (OBG 8020, Mmeds) Teaching a Module on (referencing and citation, literature review, use of ICT and Moodle and use of Library resources (CINAHL, Scopus, PubMed, Embase, the Cochrane Library and other resources.

E. CONTRIBUTION TO RESEARCH/PROJECTS

- 1. Co-Investigator:** Project title: **Towards Open Science Communities development in Sub-Saharan Africa Region (OSCAR 2.0). 799,947.00 Euros. Proposal number: 101129127**

OSCAR2.0 project aims to foster the effective digital transformation of education and science in the Partner Countries(PCs) (Zambia and Botswana) in order to develop digital infrastructure and connections, were heightened reliability, capacity and security will support regional economic integration by boosting engagement of Higher Education Institutions(HEIs) in implementation of Open Science principles and values in each Partner country. Funded by the European Union Under the **ERASMUS-EDU-2023-CBHE-STRAND-2**

Project Period: 2024-2026

- 2. Co-Investigator:** Project title: *Navigating the digital landscape: universities partnering for change (NIAGARA).* **301,819 Euros. Project number 01082506.** Opheim, E. (Norway), Khosrowjerdi, M. (Norway), Johnston, J. (Norway), Cisek, S. (Poland), Mtega, W. P. (Tanzania), Kelefa Mwantina, K. (Tanzania), Kanyengo, C. W. (Zambia), Makondo, F. N. S. (Zambia), **Monde, M. W.** (Zambia), Kwalombota, G. M. (Zambia). Funded by the European Union under the RASMUS-EDU-2022-CBH. **Project Period:** 2023-2025.

Team member/institutional coordinator of the recently awarded grant project titled(NIAGARA) whose aim is to utilize the partnership between Universities in Zambia, Tanzania, Poland and Norway to improve and expand information services by developing Libraries ICT infrastructure and librarians' digital competencies. The project implementation will begin in January 2023. Total grant approved **301.819 Euros**

- 3. Co-Investigator:** Project title: *Navigating the digital landscape: universities partnering for change. Planning grant.* EPLpd2022/10023 (Erasmus Plus - Funding for project development 2022). Opheim, E. (Norway), Khosrowjerdi, M. (Norway), Johnston, J. (Norway), Sabina Cisek, S. (Poland), Mtega, W. P. (Tanzania), Mwantina, K. (Tanzania), Kanyengo, W. C. (Zambia), Makondo, F. N. S. (Zambia), **Monde, M. W.** (Zambia), Mutemwa, D. (Zambia), Kwalombota, G. M. (Zambia). *Funded by the Norwegian Directorate for Higher Education and Skills.* Total grant approved: Norwegian kroner. **100,000 NOK. Project Period:** 2021 December-2022 February.

4. **2021** Successfully piloted the Clinical Enquiry service for Chitambo Mission Hospital clinicians aimed and promoting the use of Evidence based information/ supporting the translation of knowledge into Action.
5. **2020-2021.** Embedding and spreading communication and decision support for sustainable emergency medical care: Up-scaling a model developed in Chitambo District, central Zambia. *Funded by the Scottish Government International Development Small Grants (SGSG) Programme.* (A project being implemented in partnership with: University of Zambia Medical Library, NHS Education for Scotland, United Kingdom, Chitambo District Hospital, Friends of Chitambo and Zambia Research and Development Technology Academy (ZRDTA). **Role on the Project:** Trainer and Facilitator both face to face and online course.
6. **2016-2017.** Strengthening Emergency Care Information and Communications between hospital and rural health clinics, in the Chitambo District, Central Zambia. *Funded by the Scottish Government International Development Small Grants Programme.* A project implemented in partnership with: University of Zambia Medical Library, NHS Education for Scotland, United Kingdom, Chitambo District Hospital, Friends of Chitambo and Zambia Research and Development Technology Academy (ZRDTA). **Role on the Project:** Trainer and Facilitator - face to face workshops.
7. Consumer Health Information by the Network of African Medical Librarians whose aim is to strengthen the capacity of public librarians, train, collaborate and establish linkages between academic health librarians and public libraries to improve health literacy of patrons and prevent non-communicable diseases. This is a project funded by the Elsevier foundation of New York and was implemented in seven sub-Saharan African countries namely: Kenya, Mali, Mozambique, Nigeria, Uganda, Zambia and Zimbabwe. **Role on the Project:** Trainer and Facilitator - face to face workshops.
8. **Team Member:** MLA Librarians without Borders/ Research4LIFE. grant 2020 award winning team, grant was funded by Elsevier Foundation.

F. WORKSHOPS, CONFERENCES, SHORT COURSES ATTENDED

2024	February 2024 Grant writing workshop by center for reproductive health training University of Michigan
2024	27 th and 28 th February Open science international consortium meeting in Lusaka at UNZA Confucius institute.
2024	29 th February and 1 st March 2024 International Open Science Forum in Zambia-Towards an Open Science Communities Development in Sub-Saharan Africa Region (OSCAR 2.0)
2024	8 TH February and 9 th February, 2024 OSCAR 2.0 Project planning workshop
2023	16 th October 2023 to 20 October 2023; attended and presented a paper and facilitated a workshop during the 17th Congress of The Association for Health Information and Libraries in Africa (AHILA) at University of Botswana Conference Centre, Gaborone
2023	On 2 nd and 3 rd October 2023 attended a training workshop in Implementation Science for academic staff at Mika Exotic Hotel, Zambia.
2023	10 th August 2023, attended the Launch of the Ridgeway Campus Research and Scientific club conference organised by UNZASU(RWC). I was invited as guest speaker to present on the role of library in research under the theme “Harnessing the potential of Research and Innovation in advancing Health and Strengthening Health Systems at UNZA Ridgeway Campus, Zambia
2023	25 th July to 28 th July 2023 participated and presented a paper on research collaboration at University of Zambia, Medical Library and on the Role of Libraries in Supporting e-Learning: A Survey of Public Universities in Zambia, at the 2023 LIAZ @50 conference in Livingstone at AVANI Hotel, Zambia.
2023	20 th July 2023 to 20 2023; attended and presented a paper on the Institutional Preparedness for ELearning in Healthcare Professions Education: A Case of Mulungushi University School of Medicine and Health Sciences at the SHEPIZ 2 nd scientific symposium at the Mulungushi International Conference Centre, Zambia.
2023	Attended a One-week bibliometrics and research impact summer school workshop coordinated and supported by the Faculty of Media and Information Studies Western University Ontario London. 13 out of 113 applicants were awarded scholarships from African Librarians
2023	Facilitated a SCIENTIFIC WRITING WORKSHOP – SYSTEMATIC REVIEWS on 29th May to 2nd June 2023 to UNZA PHD students at Mika Convention, Lusaka

2023	Attended the Medical Library Association (MLA 2023 conference) during which I attended a workshop on Effectiveness and efficiency in exhaustive searches for systematic reviews in Detroit, Michigan USA.
2023	Attended and facilitated NIAGARA Project inception meeting in Zambia and Tanzania from 6 th March to 17 th March 2023
2022	Attended a workshop by Stellenbosch University/ Collaboration for Evidence-based Healthcare and Public Health in Africa (CEBHA+) held in Cape Town South Africa at Blaauwberg Beach hotel from 24 rd October to 28 th October 2022
2022	Attended a workshop by Data Science for Health Discovery and Innovation in Africa (DS-I Africa) Consortium Meeting and AHILA/NAML Pan African Library Information Science Training and Mentoring Workshop held at Protea Hotel Breakwater Lodge and Graduate School of Business (GSB) Conference Centre, in Cape Town, South Africa from 1 st November to 3 rd November 2022
2022	Attended a workshop a virtual workshop on Highlighting the initial steps of Research: search access literature and formulating the research question by Cochrane south Africa
2022	Attended and presented a paper on The role of academic libraries in supporting e-learning during the covid19 era: a survey of selected public university libraries in Zambia to UWI Mona Library Virtual LIS Conference 2022 on 25th October 2022
