

Name: Alisha Oropallo, MD, FACS

Office Address: 1999 Marcus Avenue Suite M6, New Hyde Park, NY 11040

Work Phone: 516 233-3780

Work Email: aoropallo@northwell.edu

Work FAX: 516 233-3644

Educational Background

Education

Present	PhD program	Information Science	University of Buffalo, NY
1999	MD	Medical	Ross University School of Medicine
1993	Postbaccalaureate	Medical Science	Hahnemann University School of Medicine
1992	MS	Gerontology	University of Southern California
1991	BS, BS	Biological Sciences, Gerontology	University of Southern California

Postdoctoral Training

2005-2007	Fellow, Vascular Surgery
	Boston University Medical Center, Boston, MA
2004-2005	Chief Resident, Maimonides Medical Center, Brooklyn, NY
1999-2004	Resident, Maimonides Medical Center, Brooklyn, NY

Professional Experience

Faculty Academic Appointments

2019-Present	Associate Professor	Institute of Bioelectronic Medicine, Feinstein Institutes for Research	
2011-Present	Associate Professor	Department of Surgery	Donald and Barbara Zucker School of Medicine at Hofstra/Northwell
2009	Clinical Assistant Professor	Department of Surgery	Stonybrook School of Medicine
2007-2011	Assistant Professor	Department of Vascular Surgery	Winthrop University Hospital

Appointments at Hospitals/Affiliated Institutions

2011-Present	Attending Physician	Department of Vascular Surgery	Northshore Hospital, Long Island Jewish Hospital
2007-2011	Attending Physician	Department of Vascular Surgery	Winthrop University

Other Professional Positions

2016-Present	Consultant	Rosenblum Newfield, LLC
2018-Present	Consultant	Aaronson Rappaport Feinstein Deutsh, LLP
2019-Present	CEO	WVSS, Inc.
2020-Present	Guest blog	WoundSource

Major Administrative Leadership Positions

Local

2011-Present	Director	Northwell Wound Healing Center and Hyperbarics
2014- Present	Co-Chair	Northwell Multidisciplinary Wound Symposium, Hofstra/Northwell School of Medicine
2014-Present	Co-Chair	North Shore/LIJ Pressure Ulcer Task Force Committee
2020	Medical Director	Vascular Lab, Comprehensive Wound Healing, NY
2021	Executive Director	Northwell Health Wound Institute

National and International

2020-	Examination Consultant for Vascular Surgery Continuous Certification Assessment, American Board of Surgery	
2020	Board of Directors	Association for the Advancement of Wound Care
2018-	Professional Development Coach	American College of Surgeons, Women's Society

Committee Service

Local

2021	Truly Awards Ambassador, Northwell	
2019	Combined Surgical Performance Improvement Committee Quality Officers, Northwell	
2018	Clinical Learning Session Faculty, Northwell Zucker Hofstra School of Medicine	

Regional

2018	Applicant Committee, American College of Surgeons, Brooklyn and Long Island Chapter	
------	---	--

National and International

2021	American College of Surgery, Women in Surgery Leadership Committee	
2020-Present	American Board of Surgery, VSCC Assessment, contributor to examination content	
2020-Present	AAWC Chair, Special Projects: Establishment of Wound Clinical Practice Guidelines	
2019-Present	Publications Committee, American College of Surgeons, Women's Society	
2018-Present	Speakers Bureau, Association for the Advancement of Wound Care	

Professional Societies

- 2016- Member, New York Surgical Vascular Society
- 2015 Fellow, American College of Surgeons
- 2015 Member, Undersea and Hyperbaric Medical Society (UHMS)
- 2014- Member, American Professional Wound Care Association
- 2014- Member, Association Advancement Wound Care
- 2014- Member, Wound Healing Society
- 2011- Member, Queens Medical Society
- 2011- Member, New York Medical Society
- 2009- Member, Long Island Wound Care Association
- 2009- Member, American Medical Association
- 2004- Member, American College of Surgeons Candidate Group

Editorial Activities

Journal Reviewer

- 2021 Advances in Skin & Wound Care
- 2020- UHMS
- 2019- Journal of Wound Care
- 2019- Journal of Pharmacological Reports
- 2019- Journal Diabetes, Metabolic syndrome, and Obesity: Targets and Therapy
- 2018- Chronic Wound Care Management and Research
- 2017- Journal of Surgical Research

Editorial Board

- 2021 Editor, International Surgery Case Reports (Aditum Publishing)
- 2021 Editor-In-Chief. Phlebology, STATPearls Publishing.

Honors and Prizes

- 2021 Blue Ribbon Winner Poster Award, Society of Advanced Wound Care
- 2020 Clinical Research Principal Investigator of the Year runner up, Northwell Health
- 2019 Trustee Award Nominee, Northwell Health
- 2017 Second place, poster presentation, The Role of PRP in Wound Healing, International Wound Healing
- 2017 Organizational Awareness Award, Northwell Health System
- 2016 Young Investigator Award, Symposium on Advanced Wound Care
- 2015 UHMS HBO Accreditation for North Shore/LIJ Hyperbarics Department
- 2014 Healthcare Association of New York State (HANYs) Pinnacle Award for Wound Care Quality and Patient Safety
- 2014 Association Advancement Wound Care/Shire Research Wound Research Fellowship Grant
- 2013 North Shore/LIJ University Hospital Presidents Award Nominee
- 2007 Sigvaris Research Award for Presentation at the American Venous Forum: Clinical Improvement after Endovenous Radiofrequency Obliteration of the Greater Saphenous Vein in Patients with Concomitant Deep Venous Insufficiency

Report of Funded and Unfunded Projects

Funding Information

Past

2019-2021	A Randomized, Double-Blind, Multicenter, Placebo-Controlled, Parallel-Group Phase III Study to Evaluate the Efficacy, Tolerability and Safety of Intramuscular Injections of PLX-PAD for the Treatment of Subjects with Critical Limb Ischemia (CLI) with Minor Tissue Loss who are Unsuitable for Revascularization (PACE study)
2015-2020	Global Anticoagulant Registry in the FIELD (GARFIELD VTE) Observing Treatment and Outcomes in Patients with Treated Acute Venous Thromboembolic Events in the Real World (Thrombosis Research Institute): Role: Site PI
2014-2020	CIRP: Biomarker in the Inflammatory State of Venous Ulcers (AAWC/Shire Research Fellowship Grant) Role: PI
2017-2020	A Prospective, Multicenter, Randomized, Controlled Clinical Study of PuraPly™ AM and Standard of Care (SOC) Compared to SOC Alone For the Management of Stage II-IV Pressure Ulcers (Organogenesis) Role: Site PI
2017-2020	A Prospective Study of Quality of Life in Patients with Chronic Leg Wounds Treated with Prontosan® Wound Irrigation Solution and Prontosan® Wound Gel (B.Braun) Role: Site PI
2019	A Randomized Controlled Multicenter Trial, Examining the Effect of Natrox Oxygen Wound Therapy on the Healing Rate of Chronic Diabetic Foot Ulcers
2016-2018	Randomized, Placebo-controlled, Blind-assessor Study to Evaluate the Safety and Efficacy of Autologous Platelet Rich Plasma Gel Prepared with the RegenKit-BCT Plus Family of Kits for the Treatment of Diabetic Foot Ulcer (Regenlab): Role: Site PI
2016-2017	PuraPly Antimicrobial™ Case Series: A Prospective, Observational Study of the Use of PuraPly Antimicrobial in the Management of Wounds (Organogenesis) Role: PI
2015-2017	A Multicenter, Randomized, Single-Blind Study with an Open-Label Extension Option to Further Evaluate the Safety and Efficacy of Cryopreserved Human Amniotic Membrane (CHAM) for the Treatment of Chronic Diabetic Foot Ulcers (Osiris) Role: Site PI

2016-2017	Prospective, Multi Centre, International Registry of Male and Female Patients Newly Diagnosed with Atrial Fibrillation (GARFIELD AF) (Thrombosis Research Institute) Role: Site PI
2015	Effectiveness of Autologous Platelet Rich Plasma in the Treatment of Skin Wounds (Arteriocyte Cellular Therapies) Role: Site PI
2015	Grifols IG1101 - A Prospective, Single-blind, Randomized, Phase III Study to Evaluate the Safety and Efficacy of Fibrin Sealant Grifols as an Adjunct to Hemostasis during Peripheral Vascular Surgery (FS Grifols) Role: Site PI
2014	A Phase 3 Double-Blind, Randomized, Placebo-Controlled Study to Evaluate the Safety and Efficacy of AMG0001 in Subjects with Critical Limb Ischemia (Anges) Role: Site PI
2013-2016	Pivotal Study of the Safety and Effectiveness of Autologous Bone Marrow Aspirate Concentrate (BMAC) for the Treatment of Critical Limb Ischemia due to Peripheral Arterial Occlusive Disease: Double blinded randomized multi-institutional trial (Tufts University HARVEST RCT/Terumo), Role: Site PI
2012-2016	A Multi-Center, Prospective, Randomized Study with Primatrix Dermal Repair Scaffold Moist Wound Therapy and Standard of Care Moist Wound Therapy for the Treatment of Chronic Diabetic Foot Ulcers (Primatrix TEI Biosciences) Role: Site PI
2016	MIRODERM for Complex Wounds in an inpatient setting (MIRODERM CLOSure)
2012-2014	Online Wound Electronic Medical Record to Decrease Limb Amputations in Persons with Diabetes: Multi-institutional wound registry (RO1 HS019218 AHRQ NYU) Role: Site PI
Current	
2021	A Prospective, Multicenter, Randomized, Controlled Clinical Study Of Affinity plus Standard of Care (SOC) compared to SOC alone In The Management Of Venous Leg Ulcers (VLUs)
2021	A single-blinded and observational clinical study to evaluate DETEC® pH device as a prognostic tool in the identification of non-healing chronic wounds
2020-Present	A Multicenter Phase 3 Confirmatory Trial of Biotherapy using Cryopreserved Human Umbilical Cord (TTAX01) for Late stage, complex Non-healing Diabetic Foot Ulcers (AMBULATE DFU II)
2019-Present	Pilot Study to determine the Impact of PHENOIX Wound Matrix on the Wound Microbiome in Chronic Diabetic Foot Ulcers. RenoveDerm, LLC

- 2019-Present A 12-week, prospective, parallel arm, randomized controlled trial (RCT) comparing wound area reduction of non-healing diabetic foot ulcers with MolecuLight i:X used in standard of care compared to standard of care alone
- 2019-Present Clinical Trial Evaluating a New Intravenous Drug Therapy RJX to Enhance Wound Healing and Vascular Perfusion, Reven Technologies
- 2019-Present Observational Single-Center Study to examine the clinical performance of a collagen dressing (Epioma) in routine clinical practice. BSN Medical GMBH
- 2018- Present Hydromechanical Cleansing with VAC Veraflo Cleanse Choice Dressing and NPWTi-d vs. Collagenase Ointment in the Management of Pressure Injuries (ACCELERATE trial)

Current Unfunded Projects IRB Approved

- 2019 Evaluation of noninvasive optical imaging for tissue perfusion
- 2019 Examining 30-day Readmission Rates in Patients with Diabetic foot ulcers (Collaboration with NSUH Endocrinology Department)
- 2019 Analysis of tissue debrided from chronic wounds (Collaboration with Drexel University)
- 2019 Prospective Comparison of FDG PET/CT and MRI for Diagnosing Diabetic Pedal Osteomyelitis (Collaboration with NSUH Radiology Department)
- 2019 Hyperbaric Oxygen Therapy and Wound Healing Rates (Feinstein Institute)
- 2019 Blood Biomarkers in Wound Healing (Feinstein Institute)
- 2019 Analysis of the Wound Microbiome (Feinstein Institute)
- 2019 Blood biomarkers in acute wounds following spinal cord injury (Feinstein Institute)
- 2019 Examining Healing Rates in Skin Substitutes
- 2019 Wound Healing with Concomitant Sclerotherapy of Tributary Vessels using Radiofrequency Ablation
- 2018 Using Fluorescence Angiography to Measure the Effectiveness of Hyperbaric Oxygen Therapy in Enhancing Perfusion to Chronic Wounds
- 2018 Investigations into the role of Macrophage Migration Inhibitory Factor in Wound Healing (Feinstein Institute)
- 2018-19 Comparing Automated Oscillometric Device to Standard Doppler Studies in the Detection of Peripheral Arterial Disease
- 2018 The role of the Microbiome in the Development of Moisture Associated Dermatitis in Patients Admitted to Intensive Care Units
I am investigating in what the role of the microbiome in compromised patients leading to skin breakdown
- 2018 A Retrospective Chart Review to Identify the Presence or Absence of Malnutrition in Patients with Pressure Ulcers
- 2018 Continuity of Care from Inpatient to Outpatient for Wound Treatment and Management
I am investigating what patient demographics in patients with wounds lead to follow up from an inpatient to ambulatory setting

- 2017 Wound Care Registry
- 2016 Using Fluorescence Angiography to Measure the Effectiveness of Hyperbaric Oxygen Therapy in Enhancing Perfusion to Chronic Wounds
I am evaluating the efficacy of using outpatient fluorescent angiography to assess the progress of healing in patients undergoing hyperbaric oxygen treatment

Report of Local Teaching and Training

Teaching of Students in Courses

- 2021 Mentorship in Surgery Program (ZSOM)
- 2020 Scholarship Day Poster (ZSOM): Participation as a mentor for students
- 2020 ICE Preceptor Northwell Zucker Hofstra School of Medicine
- 2019 SWIMC Northwell Zucker Hofstra School of Medicine speaker, How to provide great clinical care and provide translational research
- Teaching Faculty of Northwell Hofstra Zucker School of Medicine:
- 2020 Clinical learning session 1st year medical students
- 2019 Clinical learning session 2nd year medical students
- 2018 Clinical learning session 1st year medical students

Local Invited Presentations

- 2021 Grand Rounds, Combination Therapy in Wound Care: Rehab perspective, Northwell PM&R
- 2020 Grand Rounds, Venous stasis pathophysiology and wound healing, Northwell Department of Surgery
- 2021 PIX 11 News: Long Island man rents oxygen chamber seeking COVID pain relief
- 2019 Newsday: Cleft palate nurse gets unusual treatment for her own facial deformity
- 2019 Northwell Newsroom: Hyperbaric oxygen chambers spell relief for wound care patients
- 2019 Hofstra radio WRHU.org FM 88.7 Well Said with Dr. Ira Nash: What you need to know about Wound Care
- 2019 Dermatology: Wound care for the dermatologist, Northwell Health System
- 2018 Geriatric Grand Rounds, Peripheral Vascular disease, Northwell Health System
- 2017 Wound Care for the Geriatrician and Outpatient Skilled Nursing Facility/Geriatric Grand Rounds, Northwell Health System
- 2017 Wound Care for the Dermatologist/Dermatology Grand Rounds, Northwell Health System
- 2016 Wound Assessment and Care for the Internist/Division of General Internal Medicine Grand Rounds, North Shore University Hospital
- 2015 Wound Healing in Gynecological Wounds/Ob-Gyn Grand Rounds, North Shore University Hospital
- 2014 Wound Care Management/Surgical Residency Grand Rounds
- 2012 Wound Care/Lunch and Learn, Long Island Jewish Hospital, New Hyde Park, NY
- 2012 Wound Care for Neonates", Cohen Children's Medical Center, New Hyde Park, NY
- 2008 Management and Treatment of Varicose Veins/Grand Rounds Winthrop Hospital Department of OB/Gyn

- 2008 Abdominal Aortic Aneurysms: Open vs. Endovascular, Winthrop Vascular Symposium
Jonathans Restaurant, Mineola, NY
- 2007 Vascular Medicine of the Future/Winthrop Hospital Medicine Orientation and Grand
Rounds

Report of Regional, National and International Invited Teaching and Presentations

Invited Presentations and Courses

Regional

- 2021 Challenging cases in assessing vascular microperfusion. WHSI Annual Conference:
October 1-3, 2021 Alexandria Center for Life Sciences, NYC
- 2021 Advances in Perfusion: Northwell 8th Annual Interdisciplinary Wound Symposium
- 2020 Impact of COVID-19 on Wound Healing: Northwell 7th Annual Multidisciplinary
Wound Symposium
- 2019 Nonsurgical Treatment Options to Wound Healing: Northwell 6th Annual
Multidisciplinary Wound Symposium
- 2018 Guideline Update on Hyperbaric Oxygen therapy. Lower Extremity Amputation
Prevention Symposium, Staten Island University Hospital
- 2018 Role of Hyperbaric Oxygen in the Diabetic Foot: What Is the Evidence? Shining a Light
on Wound Care 5th Annual Northwell Health Wound Symposium
- 2017 Does Angiosomal Distribution Make A Difference in Wound Healing? Shining a Light
on Wound Care 4th Annual Northwell Health Wound Symposium
- 2016 Speaker, "Hyperbarics in Wound Care", Lower Extremity Amputation Prevention
Symposium (LEAPS), Staten Island University Hospital
- 2016 Applied Biologics Workshop: Examination, Evaluation of Your Patient and Knowing
When to Apply Hands-On Activity Workshop of Understanding the Different
Applications of Advanced Skin Substitutes/Shining a Light on Wound Care 3rd Annual
Northwell Wound Symposium
- 2015 Adjunctive Treatments: Improving Angiogenesis/Shining a Light on Wound Care 2nd
Annual North Shore/ LIJ Wound Symposium
- 2014 Impact of Vascular Disease in the Aging Population: Where are We Headed?/Shining a
Light on Inaugural Wound Care North Shore/ LIJ Wound Symposium
- 2014 Stem Cell Research in Critical Limb Ischemia with Bone Marrow Autologous Cells/
Nassau Medical Podiatry Conference
- 2013 The Investigation of Bone Marrow Autologous Cells in Critical Limb Ischemia/Long
Island Wound Healing Association, Fox Hollow Inn, NY
- 2012 Bioengineered and Biologically Active Wound Care Products/Current Techniques and
Trends in Wound Care Conference, NY
- 2009 Evaluation and Treatment of Arterial Disease Associated with Chronic Wounds/Long
Island Wound Healing Association, Fox Hollow Inn NY
- 2008 Relationship of Vascular Wounds and Disease/Winthrop Hospital Wound Care
Symposium, Oheka Castle, Huntington, NY
- 2008 What's New in Vascular Wound Management/Winthrop Hospital Wound Care and
Podiatric Conference, Garden City Hotel, Garden City, NY
- 2006 Predictive values of Vascular Surgery as a Career Choice for Medical

Students/Boston University Medical School, McCahan Annual Research Symposium,
2006 Is Endovascular Plaque Based Excision Safe? New England Vascular Society, Annual
Forum

National

- 2022 All That Glows is Not Good: Advanced Imaging in Wounds: APWCA National Meeting (Wound Week) Philadelphia, Feb 24-26 (preconference on the 24th, Main Sessions 25-26 in person)
- 2022 Artificial Technology Session on the Registry (Text Mining: Revolutionizing the EMR and Research. APWCA National Meeting (Wound Week In person) Philadelphia, Feb 24-26 (preconference on the 24th, Main Sessions 25-26
- 2021 Impact of COVID-19 on Wound Care Services: A Rapid-Fire Panel. Symposium on Advanced Wound Care (SAWC) Fall (In person). October 29-31, 2021 in Las Vegas, Nevada
- 2021 Webinar: Science and Practice: The Consensus on Topically Applied Oxygen: Latest Research and Where to incorporate into Clinical Practice (Virtual). October 27
- 2021 Surgical Procedures for Venous Disease including Q&A panel discussion. Superbones. (virtual). Oct 10
- 2021 Surgical treatment of venous insufficiency. Superbones Superwounds West 2021 Virtual Conference speaker, October 9-10, 2021
- 2021 “Wound Cleanser Investigation: is your cleanser getting the job done?” WoundCon Virtual webinar: July 16
- 2021 When should I perform a Point-of-care Wound fluorescence imaging of wound bioburden? WoundSource Webinar on the Delphi Consensus, July 27
- 2021 WoundBusters Panelist, Live complex case presentation debunking wound care myths, Provider and patient interaction; HMP June 17, 2021
- 2021 Delphi Results using MolecuLight Imaging. Advanced Wound Care Conference NOLA May 7, 2021
- 2021 Leg Ulcer and Compression Days: Charting a Course to Recovery sponsored by Urgo Foundation a virtual conference of the AAWC: April 10-11 and 17-18, 2021
- 2020 Telehealth Impact on Wound Healing Dec 16, 2020 AAWC speaker presentation live
- 2020 How CDO Can Safely Treat Chronic Wounds (at Home) during COVID webinar. NYCPM Online Conference Speaker and Panelist. Oct 28, 2020
- 2020 Patients with Chronic Leg Wounds treated with Wound Irrigation Solution: PHMB and Betaine, SAWC Fall
- 2020 Differences in Plasma Cytokine and Wound Biopsy Gene Expression Profiles in Patients with Healed Versus Non-Healed Venous Ulcerations, SAWC Fall
- 2019 Veith Symposium: Novel Approach in Imaging and Quantifying Microperfusion in Non-Healing Ulcers Using Contrast Enhanced Ultrasound
- 2019 Veith Symposium: Healing Rates of Lower Extremity Ulcerations after Ultrasound-Guided Foam Sclerotherapy as a an Adjunct to Radiofrequency Ablation
- 2016 CIRP as a Potential Biomarker in Wounds, Academic Surgical Congress
- 2007 Our Experience with Catheter-Based Plaque Excision for Symptomatic Peripheral Vascular Disease: Is it ready for Primetime? Society for Clinical Vascular Surgery

- 2007 Catheter-based Plaque Excision for Symptomatic Peripheral Vascular Disease, Society for Clinical Vascular Surgery
- 2007 Clinical Improvement after Endovenous Radiofrequency Obliteration of the Greater Saphenous Vein in Patients with Concomitant Deep Venous Insufficiency, American Venous Forum, Annual Conference

International

- 2021 Systematic Review of Skin substitutes/ Biologic Agents. 4th International Conference on Wound Care, Tissue Repair and Regenerative Medicine. March 8 &10, 2021 Webinar. London, England. Allied Academies.
- 2021 Meta-analysis findings of biologic agents in wound care: European Wound Management Association (EWMA) conference July 7-9
- 2021 The effect of COVID-19 on amputation rates across a twenty-three hospital system. Charing Cross April 19-22, 2021 Vascular conference, London, England
- 2020 Wound Source: March 26 Live Webinar, “Taking Control of the Wound Healing Environment”
- 2016 The Use of Indocyanine Green Fluorescence Angiography to Assess Perfusion of Chronic Wounds Undergoing Hyperbaric Oxygen Therapy. 5th Congress of WUWHS - World Union of Wound Healing Societies. Firenze, Italy
- 2014 Superior Mesenteric Artery Aneurysm Rupture: Report of a Case and Review of The Literature Presented at the XIII Panamerican Congress on Vascular and Endovascular Surgery. Brazil

Report of Clinical Activities and Innovations

Current Licensure and Certification

- 2010, 2020 Board Certified in Vascular Surgery with Recertification (Diplomate) #102050
- 2007, 2018, 2020 Board Certified in General Surgery with Recertification (Diplomate) #052678
- 2019 Recertification in Wound (FACCWS)
- 2013 Certification in Wound (FAPWCA)
- 2007- New York Medical License (active)

Practice Activities

- 2011-Present Ambulatory Care, Comprehensive Wound Healing Center 4-10 sessions/week
- Ambulatory Surgery 2 session/month

Clinical Innovations

Development of the first regional interdisciplinary Wound care symposium at Northwell Health (2013) educating professionals in the tri-state area of wound care. Raised over \$1,000,000 in grants and symposiums to help assist with wound research and resident/student education

Telehealth Program Charter (2021): an initiative to evaluate inpatients for hyperbaric oxygen therapy via remote access to deliver enhanced quality of care.

Report of Technological and Other Scientific Innovations

Development of a Wound EMR with Northwell Research IT BUDDY program to improve the quality of care rendered to patients (2017-present): Nominated for the Northwell Innovation Challenge 2021

Breathe-N-Easy Leg wrap: FDA cleared 510K with CMS reimbursement Noridian HCPCS Code: A6545 (United States Patent Number: 9681991)

Achieved UHMS Joint Commission Accreditation for Northshore Hyperbarics (Comprehensive Wound Healing Center and Hyperbarics) 2019

Established Northwell Wound Institute 2021

Established Northwell Wound Collaborative 2019

Established Northwell Hyperbaric Collaborative 2021

Report of Education of Patients and Service to the Community

Activities

- 2021 CITI Certification: outreach video: How to incorporate industry sponsored funding into your research; CITI Program, a Division of BRANY
- 2020 Northwell Community Resources: Wound care management for the community programs
- 2015 Diabetes Patient Awareness Month: Focus on Wound Care Northshore Hospital Rust Auditorium
- 2014 Comprehensive Wound Healing Center Outpatient Wellness Class with Northshore hospital physical therapists
