

SOCIAL STUDIES CONTENT WORKSHEET

Name: _____ Program: _____

Degree and Date: _____ Institution / GPA: _____

To be admitted to the University at Buffalo Initial or Initial/Professional Social Studies teacher certification program, students must have:

- a major listed on page 2.
- coursework that meets the content distribution in the tables below.
- grades of “C” or higher in content coursework.

Students may be conditionally accepted to the program without all content requirements completed at the discretion of Learning and Instruction Faculty. However, all requirements must be completed **prior to student teaching** and/or **prior to degree conferral**.

This worksheet is intended as a guide to assist prospective students. Use the chart to check prerequisite content requirements for admission to social studies education programs. The final determination of prerequisite content requirements will be made by faculty in the Department of Learning and Instruction during the admission process.

For ALL social studies education programs, coursework must include:
