

Advanced Teacher Education Student Performance on Licensing Exams

2016 – 17 Cohort Data on Educational Leadership School Leadership Assessments (SLAs)

The Educational Leadership and Policy (ELP) students are required to take School Leadership Assessments consistent with the program in which they are enrolled. The School Building Leader (SBL) program, the School District Leader (SDL) program, and the School District Building Leader (SDBL) program require two tests to be taken. The score for University at Buffalo (UB) students, SUNY students in New York State, and students from all New York institutions are listed in the chart below for comparison from years 2015-2017.
